

MEDCHAT CANON

2026-03-18

Dexter Hadley, MD/PhD

Hadley Lab CANONIC

Abstract

MEDCHAT is community learning for internal medicine residents and the patients who cannot wait until morning. USPSTF screening grades, chronic disease targets, emergency red flags every claim sourced from CDC, USPSTF, AHA, and ADA. Always free for students. COIN gates enterprise clinical decision support.

hadleylab.org Governed Research. Every claim cited.
